

TASSOMAI

A smarter way to learn and revise

Tassomai is an **online learning and revision platform** that uses **quizzing** to **test** and **teach**.

The program's **smart algorithm**:

- **Organises and spreads out your learning**
- **Personalises your content**
- **Builds knowledge**

"Within an hour I remembered more through Tassomai than I had with 10 hours of revision from a textbook."

Michael, Year 10,
Budehaven

Tassomai has helped 1000s of students get top marks in GCSE science!

50% of students who used Tassomai well (that means completing 80% or more of the course) **achieved** the equivalent of a **grade 7-9**.

Using Tassomai **doubles the chances** of you getting the **top grade for GCSE science** compared to the national average.

The Learning Program

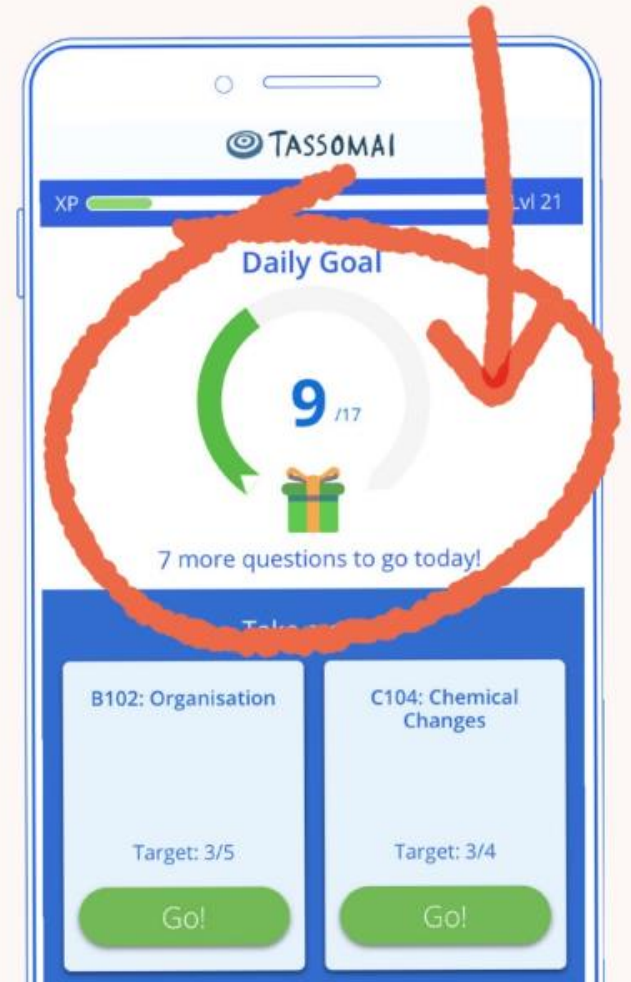

“How do I get my Daily Goal to go down?”

Do your Daily Goal today, and **it will be lower tomorrow**; fail to complete it tomorrow and it will go up a bit for the next day.

This makes completing your Daily Goal rewarding and motivating, and **gives you the power to lower your daily workload.**

The highest your Daily Goal can be is 40 and the lowest is 15.

Please note! This feature will be unavailable for the first couple of weeks of term. We will let your teacher know when it's going to be live so watch this space...
