The awarding bodies have designated **Wednesday 29 June 2022** as a 'contingency day' for examinations. The designation of a 'contingency day' within the common examination timetable is in the event of national or significant local disruption to examinations in the United Kingdom. It is part of the awarding bodies' standard contingency planning for examinations. Centres must therefore **remind candidates that they must remain available until Wednesday 29 June 2022** should an awarding body need to invoke its contingency plan.
