Netball	Expected Progress: Skills in conditioned games. Passing skills Fundamental footwork rules Timing of pass/support play Attacking play/outwitting opponents Shooting Marking/defending	warm up/cool down Marking Interception Dodging Footwork Distance Passing (chest, bounce, over-head, shoulder) Receiving Develop rules	Develop passing and receiving (on the move) Develop footwork (1/2 feet landing) Demonstrate good positioning Accurately replicate the technique for shooting action under pressure To accurately replicate defending skills	Literacy - key words Maths– Counting passes, 3 second rule, keeping score Science– Bodily functions/Healthy lifestyle My PB Personal Me– Leadership, Sportsmanship Social Me– Communication	Develop knowledge of rules Join school or local dance club Watch live and recorded matches
Football	Expected Progress: Skills in conditioned games. Passing Dribbling, Turns Attacking Play/Tactics Defensive strategies/tactics Heading Shooting Rules	warm up/cool down Dribble Passing (side foot, low driven, long lofted) Turning with the ball Marking Space Heading Shooting Tackle Formations Develop rules	Develop Passing Dribbling, Turns and Outwitting a defender Develop Attacking Play/Tactics Develop Defensive strategies/ tactics Heading Develop Shooting Assessment Game	Literacy—key words Maths—Scoring Science—Bodily functions and healthy lifestyle consequence My PB Personal Me– Resilience, Sportsmanship Social Me– Communication	Research different positions Join school or local football club Watch live and recorded matches
Handball	Expected Progress: Skills in conditioned games. Dribbling and movement Passing Tackling Creating space Defending Shooting	a warm up/cool down Passing (chest, bounce, over-head, shoulder) Dribble Marking Space Shoot Block Tackle Formations Develop rules	Develop dribbling and movement with the ball Develop Passing Develop Tackling Creating space whilst attacking Defending Shooting Assessment Games	Literacy—key words Maths—Scoring Science—Bodily functions and healthy lifestyle consequence My PB Personal Me– Resilience, Sportsmanship Social Me– Communication	Join school or local handball club Watch live and recorded matches

Topic	Learning Objectives	Key Vocabulary	Learning Sequence	Linked Learning	Home Learning
Rugby	Expected Progress: Skills in conditioned games. Tackling front/ side/ rear Rucking Small sided games incorporating rules	Warm up/ cool down Basic rules Knock on Cheek to cheek Snap and wrap	Expected progress– perform skills in games and competitive situations Tackling front/ side/ rear Rucking Small sided games incorporating rules Assessment	Literacy—key words Maths—Scoring Science—Bodily functions and healthy lifestyle consequence My PB Personal Me– Resilience, Sportsmanship Social Me– Communication	Practise—breaks /lunch / home Attend Extra Curricular Club Join clubs in the community Watch live and recorded matches
Hockey	Expected Progress: Skills in conditioned games. Dribbling and movement with the ball Passing and reverse stop Creating space whilst attacking Defending Shooting	Block tackle Jab tackle Indian dribble Reverse stick Flick	Recap grip and dribbling Passing and reverse stop Use of space and attacking Defending Shooting	Literacy—key words Maths—Scoring Science—Bodily functions and healthy lifestyle consequence My PB Personal Me– Resilience, Sportsmanship Social Me– Communication	Practise—breaks /lunch / home Attend Extra Curricular Club Join clubs in the community Watch live and recorded matches
Rounders	Expected Progress: Skills in conditioned games. Fielding skills Bowling Batting Positional roles Tactics Strategies to outwit opponents	Warm-up/Cool-Down Underarm throw Overarm throw No bowls Long barrier Development of rules Positional play	Replicate long barrier Replicate a legal bowling technique Replicate the batting technique Explore rounders positions Outwit opponents in a game s Perform effective communication & teamwork skills	Literacy—key words Maths– counting good bowls, rounders scored Science– body functions/healthy lifestyles My PB Personal Me – Resilience, sportsmanship Social Me - communication, motivating teammates	Research rules Attend extra-curricular rounders club Watch live and recorded matches to appreciate high quality performance

Dance– Grease lightening	Expected progress: Dance Intro/Starting stretches Recap fundamentals from last year Chorus formations/levels Verse movements Interlude sections Finish/finale Assessment	Cannon Unison Posture Control Accuracy Timing Creativity Aesthetics awareness	Accurately replicate chorus movements from the film. Develop creativity within sequence using compositional ideas based on the film. Incorporate their own motifs and formations with union, canon, mirroring and levels when choreographing solo, duet and group routines.	Literacy through the use of key words Maths– Counting beats in a bar Science– Bodily functions/Healthy lifestyle My PB Personal Me– Self Motivation Social Me– Collaboration Thinking Me– Innovation	Develop knowledge of key terminology Watch well known/famous pieces Join school or local dance club
Table Tennis	Expected progress– perform skills in conditioned practices Backhand push Forehand push Backhand drive Forehand drive Service	Warm up/ cool down Basic rules Spin Rally Bounce Timing	Backhand push Forehand push Backhand drive Forehand drive Service Assessment	Literacy—key words Maths—Scoring Science—Bodily functions and healthy lifestyle consequence My PB Personal Me– Resilience, Sportsmanship Social Me– Communication	Practise—breaks /lunch / home Attend Extra Curricular Join clubs in the community Watch live and recorded matches Research the internet
Athletics Track Events 100m sprint 200m sprint 400m sprint 800m 1500m	Expected progress: Track Events: Sprints—maximum speed/effort Re-cap arm movements and lanes. Introduce starting positions from the blocks. Encourage to achieve silver times 800m/1500m— recap on pace settings. Introduce leg stride patterns and breathing techniques	Sprinting Running Timing Chin/Knee/toe 45 degrees angle Heart rate Warm up/cool down Pace setting	Track Events: Sprints—maximum speed/effort Re-cap arm movements and lanes. Introduce starting positions from the blocks. Encourage to achieve silver times 800m/1500m— recap on pace settings. Introduce leg stride patterns and breathing techniques	Literacy—key words Maths—Scoring Citizenship—Sportsmanship Science—Bodily functions and healthy lifestyle consequence My PB Personal Me– Resilience, Sportsmanship Social Me– Communication	Practise skills at breaks and lunchtimes and at home Attend Extra Curricular athletics Join clubs in the community Watch live and recorded matches to appreciate high-quality performance
