**ID info:** LCC Staff ID Badge

### **Bike to Work Scheme**

Lancashire County Council offers all employees the opportunity to take part in a Bike to Work scheme. You can get a bike and related equipment up to a maximum value of £1000. The cost will be offset against tax and national insurance. The cost is deducted via salary sacrifice. The bike remains the property of LCC until the end of the hire period (12 months). At which time you will be given the opportunity to purchase the bike and equipment at a fair market value.

#### **End of the hire period**

At the end of your hire period you must choose an ownership option and, if applicable, make another payment to take ownership of your Cyclescheme Package. Without this payment HMRC would class the agreement as hire purchase, rather than hire, and as a the tax exemption would not be available.

#### **Application process**

- Go to the [Cyclescheme](http://Cyclescheme) website to locate your nearest bike shop

- Tell the shop that you will be purchasing through Cyclescheme. Ask the shop for a written quotation
- Request your [bike voucher](#) by entering the details from your quotation and pay reference number
- Cyclescheme will confirm your eligibility. You will be sent a hire agreement to be signed by you and your manager
- A bike voucher will be sent to you. Photographic identification will be required when collecting your bike
- Process may take up to 6 weeks
- Payments will be taken from your salary starting from the following month

### Eligibility

You must be:

- A full or part-time county council employee/elected member
- Not working in a school that administers their own payroll
- Not working for an academy
- Earning more than the National Minimum Wage (NMW) after the loan payment has been deducted – not applicable for elected members, as classed as Office Holders not working under a contract of employment and therefore not entitled to the NMW.

If you leave your job at LCC during the term of the loan you will have to pay the remaining amount in full, without any tax or National Insurance exemptions.

If Cyclescheme is handling your ownership options, you will be given the following 3 options at the end of your hire period:

1. **Own it now** - Take ownership of your package by paying Cyclescheme the market value (e.g. for a one year old package this would be 18% or 25%\* of the Certificate value in accordance with HMRC requirements).
2. **Own it later** – Enter into an Extended Use Agreement with Cyclescheme. You pay a small refundable deposit (either 3% or 7% of your certificate value\*) and continue to use the equipment for 3 years. No further regular salary payments are required during this time. At the end of this period, Cyclescheme refunds the deposit if you do not wish to keep the package. No further action or payment is required if you wish to keep the equipment.
3. **Return** - Return the package to Cyclescheme at your own cost.

To find out more information please click [here](#).

### Insurance

You are responsible for insuring the bicycle and the county council will bear no liability in the event of loss or theft.
