21 September 2020

Dear Parents

Today, we have had two confirmed cases of coronavirus in Year 11. As we await further guidance from Public Health England, Year 11 will remain at home tomorrow. We are hoping to bring back as many Year 11 pupils as possible, later this week.

The parents of the pupils affected have been contacted. We have also contacted pupils who travelled to school on the 807 bus. You will be pleased to note that both children are feeling well. It is a timely reminder of the need for our children to ensure increased hand hygiene, social distancing and the use of face masks.

Thank you to the parents who responded to the electronic communication regarding permission for pupils to return home following a confirmed COVID case in school. This enabled us to identify children who had permission to return home very smoothly. If you have not completed this yet could you do so by clicking on the following link:

Thank you for your continuing support.

Yours sincerely

Richard Varey
