Dear Year 11 Parents

Further to my earlier letter, I am writing to give you an update on the Year 11 pupils who were sent home to self-isolate today. Today, we have consulted with the DfE, NHS and the Romero Catholic Academy Trust. We are hoping to bring back the majority of Year 11 pupils later this week, at the earliest opportunity. However, we are waiting to receive further clarification from Public Health England regarding our plans. In the meantime, we are asking all Year 11 pupils to remain at home. We will communicate with you as soon as we have had approval from Public Health England.

Home Learning Expectations

Work will be posted on Show My Homework and will follow the pupils school timetable for that day. It is expected that if pupils are fit and well they will complete this work and post it back to their teacher on Show My Homework. Their teacher will be available to answer questions and provide help during the hour pupils should be taught by them and so, following the school day from home is advised. This way your child will keep up to date with their learning.

Thank you for your continued support.

Yours sincerely

Richard Varey (Mr)
Headteacher
