15 December 2020

Dear Parent

INFORMATION REGARDING LATERAL FLOW TESTING

If you have given consent for your child to have a COVID-19 test, this will take place in school on Thursday 17 and Friday 18 December 2020. Tests will be conducted by the Lancashire Resilience Forum who will be assisted by members of the Armed Forces. The results take approximately 20 minutes to come back and results will be shared with school.

If the result of your child's test is positive, school will contact you and you will need to come and collect your child immediately and your household/bubble will need to self-isolate for 10 days. We will not be contacting parents if pupils receive negative test results.

Pupils who are identified as close contacts of pupils who test positive will also need to be collected immediately and the child will need to isolate for 10 days. Households of pupils identified as contacts do not need to isolate unless the pupil develops COVID-19 symptoms.

If you have any questions regarding the testing please contact Miss McCue on jmccue@btrcc.lancs.sch.uk

Yours sincerely
