Dear Parents

I do hope that you and your family are keeping safe and well at this time. As you will be aware, Year 8 and Year 9 pupils will be moving onto a rota from next week for in school and home education between now and Christmas. Detailed information will be provided tomorrow.

If pupil and staff absences due to COVID-19 continue to rise, we may have to introduce this measure to additional year groups.

To support the learning of pupils in school at this difficult time of COVID-19, we are making a change to our policy regarding pupils and the use of mobile phones in lesson. Under the direction and supervision of the class teacher, pupils will be able to use their mobile phone in class. We will be allowing pupils to log on and access the school WIFI system. The connection would be through the schools very stringent web filtering. Mobile phones must be switched off and unseen when outside of the classroom.

As always, please get in touch if you have any queries. Thank you for your continuing support.

Yours sincerely
