Dear Parents

To parents and carers, I know the recent announcements about schools reopening will be causing some concern, not least because of a lack of clarity and detail.

Over the next week, various discussions will be taking place in school, with Lancashire Authority, between Lancashire and Burnley Secondary Heads and Diocesan Headteachers to put together a sensible, safe and workable plan for providing more support for Year 10 and possibly increasing the number of vulnerable children who attend our school. I want to reassure you that as soon as there is a plan we will let you know. We are not going to rush into making rash decisions. We will be continually mindful of pupil and staff wellbeing and health.

Yours sincerely
