Dear Year 10 Pupil,

### **Getting Ready for Your Phase 1 Meeting**

As you will already be aware, next week sees your first real return to school since lockdown began, albeit in a very different format from what you are used to. Staff are really looking forward to seeing you as you attend your one-to-one meetings throughout the next fortnight.

We understand that for some of you, you may be feeling a little anxious about returning, and so we wanted to put your mind at rest - all necessary safety precautions have been taken to ensure that we keep in line with social distancing regulations.

In order for us to get the most out of your meetings and to help you prepare, we wanted to give you a little bit of information so that you know what to expect.

Firstly, please don't worry. We understand that people's experiences of lockdown have been varied, but the purpose of this meeting with teachers is first and foremost to see how you are and for us to then find out how we can guide and support you. Please be honest so that we can really focus on what the next step is for each of you as individuals at this important stage of your school life. We will also have technical support available who will be able to guide you with any issues that you might have been having.

Alongside this, there will be an opportunity to collect some valuable resources that will help you to continue with your remote learning.

We cannot wait to see you!

Yours sincerely

Richard Varey  
Headteacher
