Dear Parents

We are very excited to inform you about a change we are making this year at Blessed Trinity, which will see us replacing Show My Homework with a new application called "Class Charts". This new app will allow you to keep up to date with not only your child's homework but attendance, rewards and behaviour. If you have a Show My Homework account, please be aware that this is no longer active.

### **Class Charts**

Both pupils and parents will have their own account which will need to be activated. To do this you will need to use your access code. This code will be sent home with your child(ren) next week. It is important that both yourself and your child are able to access class charts as this will now be our only contact home for homework, rewards and behaviour, including detentions.

We hope that Class Charts will enable us to work closely with you this year to ensure that you are kept fully up to date with all details pertinent to your child(ren). We are pleased that pupils will be able to monitor their own progress and be encouraged to work hard.

If you have any questions regarding our new system, please contact me at [msnowden@btrcc.lancs.sch.uk](mailto:msnowden@btrcc.lancs.sch.uk)

Yours Sincerely

Mr M Snowden  
Assistant Headteacher - Teaching and Learning
