Dear Parents

I am writing to inform you that NHS East Lancashire Alliance will soon be offering COVID-19 vaccinations in school for pupils aged 12-15. I would like to ask if you wish to give your consent for your child to receive the first dose of the vaccine.

Please see attached a consent form and further information which gives you details of the vaccination process and provides answers to frequently asked questions. Please ensure that you read this information before completing the consent form.

A paper copy consent form and a checklist for children aged 12-15 will be sent home with pupils today. Once we have your consent we will schedule the vaccination appointment.

Please complete the consent form and checklist and return them to school for Miss McCue's attention **by Friday 8 October 2021**.

Yours sincerely

Deborah Williams (Mrs)
Headteacher
