# CHRISTMAS HOLIDAY ACTIVITIES at BURNLEY TENNIS CLUB

For age groups, 5 to 10 & 11-16 years

## What is it?

We will be offering a wide variety of sports both indoor and outdoor as well as other Christmas activities, sure to keep your children not only entertained but also learning lots as well. Every day the children will have brand new experiences, learn new skills, make lots of new friends and of course have lots and lots of fun.

Our sessions will cover eight different sports but don't worry all the kids will do lots of other activities with a Christmas theme finishing the week with a big Christmas Celebration Party.

The perfect way for your children to enjoy the outdoors, have fun, stay fit, be safe, make new friends and learn during the school holiday.

Action packed, indoor and outdoor with the goal to build confidence and self-esteem, improve social skills, life skills, co-ordination and fitness levels.

Delivered by Qualified Coaches, PE Teachers and Skilled Wellbeing Workers.

Food and drinks will be provided each day with a range of hot options.

## When?

## What is it?

SportsCool have provided Sports Clubs during holidays for the last 13 years. Our holiday provision gives children the opportunity to access fun, engaging activities across a variety of topics. The activities are set out so children can learn to work both individually and together as a team, to increase confidence. We also run some Yoga and Wellbeing sessions to help children re-focus and build their resilience, which is so relevant at this moment in time.

Our provision is usually open to various local Schools, which we feel is really beneficial for children as they have to work with children they may not know, and can build some new friendships as a result. Through our stringent policies, your children can attend a setting where they feel safe and comfortable in their environment. Our friendly approach from our experienced staff will also put a parent's mind at ease when leaving their child for the day. We also take the time to educate

our learners through health and nutrition and encourage a healthy lunchbox and snacks. We have also built in 'themed days' into our holiday provision, such as inflatable days, nerf days, and dance, which have given children the chance to access some different activities.

## When & Where?
