MINUTES OF LAST MEETING

The meeting scheduled for 8/12/14 was cancelled following the sad news of the death of Michael Ennis. We would like to express our condolences to his family, staff and pupils. He will be greatly missed.

MATTERS ARISING

Parents of new Y7 children are completing their details to say that they are willing to help with PTFA but those details are not coming through to the PTFA. (PT will ensure details are passed on in future).

Film night raised £248 (net) with about 100 attendees. Some children found it hard to enjoy the film due to much chatting amongst part of the audience, as well as over-use of phones! For similar future events we could use tactics of cinemas to make sure all phones off at start of film. The key ring photos sold well, especially when children had seen the product. Have some on display at the beginning next time.

FUTURE EVENTS

Race Night for adults provisionally on 15/5/15 at 110 Club (H Duffy to check with Terry Long). Sarah Williams organised one for school at Belvedere Rugby Club. PT will ask her for ideas for us to organise a similar event in place of the Spring Ball. PT will also ask Father Brian about holding an in-house band night. Discussed a staff talent show, which was a great success last time. ER to ask staff and RV about the possibility. Hold a disco for Y7/8 on 26/3. Easter themed, possibly asking Nikki to DJ. PT will ask M Arcangelo to attend next meeting for ideas.
