To the Blessed Trinity Community

Dear Parents and Carers,

As we come to the end of another remarkable school year, I would like to take this opportunity to thank you for your continued support and partnership. Together, we have helped our young people achieve exceptional success both inside and outside the classroom.

This year has been characterised by hard work, determination and an unwavering commitment to excellence from our pupils. Their achievements have been outstanding and they should be immensely proud of everything they have accomplished. Whether through academic success, sporting achievement, creative performance, leadership opportunities or acts of kindness and service, our pupils have demonstrated the values that make our school such a special place.

Beyond the classroom, we have continued to offer an extensive programme of extracurricular activities, ensuring that every pupil has had the opportunity to develop new skills, discover talents and pursue their interests. From sports clubs, music, drama and performing arts to STEM projects, leadership programmes, charitable activities and enrichment opportunities, our pupils have embraced a wide range of experiences that have enhanced their personal development and broadened their horizons. A special message must go to our Year 11 students, who have now completed their journey with us. We are immensely proud of all they have achieved during their time at school. They leave us not only with qualifications, but with the knowledge, skills, experiences and values that will help them succeed in the next stage of their education, training and careers. We have watched them grow into confident, capable and compassionate young adults, and we look forward to hearing about their future successes. On behalf of the entire school community, I wish every one of them the very best for the future and encourage them to continue to aim high, work hard and embrace every opportunity that comes their way.

I would also like to extend my sincere thanks to those families whose association with the school comes to an end this year as your youngest child leaves us. Many of you have been part of our school community for a number of years, supporting school events, celebrating achievements and working alongside us to ensure the success of your children. Your trust, encouragement and partnership have been greatly valued, and we are grateful for the contribution you have made to the life of our school. Although your time as parents of current pupils may be ending, you will always remain part of our wider school family, and we hope you look back on your years with us with great pride and fond memories.

As one chapter closes, another begins, and we send our Year 11 leavers and their families every good wish for a happy, successful and fulfilling future.
