

Psst...

Did you know?

=
2 weeks

If you are 15 mins late every day, you lose 2 weeks of learning from the school year

Two days missed each month during your school life adds up to a whole year of school lost

190

There are 190 school days in the academic year

90%

90% attendance may look impressive but it means missing 19 days of education a year

It's the LAW! Parents/Carers can be fined and even sent to prison if children do not attend school

You can attend school with nits, conjunctivitis or a headache.

If you don't want to go to school, tell someone what's wrong so you can get the help and support you need

Every school has someone to help you build your confidence to come to school and help tackle any concerns

When you attend job interviews, employers can ask to see your school attendance record

Data shows that students with **more than 95% attendance** achieve GCSE results at least one grade higher
