

TLevels

T Levels are an alternative to A levels, apprenticeships and other 16 to 19 courses. Equivalent in size to 3 A levels, a T Level focuses on vocational skills and can help students into skilled employment, higher study or apprenticeships

Each T Level includes an in-depth industry placement that lasts at least 45 days. Students get valuable experience in the workplace; employers get early sight of the new talent in their industry.

T Level students spend 80% of the course in their learning environment, gaining the skills that employers need. The other 20% is a meaningful industry placement, where they put these skills into action.
