To the Community of Blessed Trinity

Dear Parent/Carer

I hope this letter finds you well this Holy Week. I would like to begin by reflecting on the strength of community here at Blessed Trinity. During Lent all pupils have had the opportunity to receive the Sacrament of Reconciliation. We had over ten visiting priests and a special thanks must go to Father David who coordinated this wonderful opportunity, working alongside our Chaplain Ms Wilkinson. We are extremely blessed to have been able to offer this experience again for all our young people. Additionally all pupils have attended our Easter assemblies this week, reminding them of the importance of Christ's death and resurrection.

### **Year 11**

As the Easter holidays begin, we are only 6 weeks away from the start of the main GCSE and Vocational Subject examinations. To support Year 11 pupils at this important time we have reminded all pupils about how to access revision materials that have been provided for them by their teachers. All resources are on Class Charts. We shall be checking in school that pupils are using the revision materials and it would be great if you could also encourage them at home to be revising the areas where they have gaps in knowledge. Additionally, do be aware that there are a range of revision sessions on offer in school during the Easter break too. Please check Class Charts and the school website for details.

### **Charity Work**

As always our pupils have been incredible in putting Catholic Social teaching into action. There is much to be proud of as always. The sense of community shows itself clearly in our year group charities and how all pupils and staff have either organised or supported a range of events and opportunities to help people less fortunate than ourselves. I know the support we give to Caritas is always gratefully received.

### **Additional achievements**

Blessed Trinity has a long and established history of sporting and academic success, and this term has been no different. We have had success in many sports including football, netball, rugby and athletics. Many of our pupils continue to represent us at school, county, and the national level.

Academically, we are proud of the many pupils who diligently prepared themselves for assessment fortnight, working hard both in school and at home displaying a positive attitude to learning, dedicating themselves to their studies. Hundreds of pupils across school have been recognised for their subject achievements which reflect a positive attitude to learning and homework.

I really do hope we continue to see such positive attitudes to learning when we return for the final term of school.

## Rewards

In the summer term we look forward to the many rewards events that will be running to celebrate the many successes of our pupils.
