Dear Parent(s)

I hope that this letter finds you and your families well.

Transition to Blessed Trinity RC College - September 2021

We are delighted that your child has been offered a place at Blessed Trinity for September 2021. On behalf of the staff, Governors and pupils, we would like to welcome you to our wonderful School.

We hope that your relationship with the school will be a long, happy and successful one. We are really looking forward to meeting you in Year 7 and beyond.

Unfortunately, due to the ever changing situation with Covid 19 we have made the decision not to go ahead with our usual Transition Day and Parent Welcome Evening. Miss Murray-Head of Year 7 with Transition will instead be visiting your child at their primary school over the coming weeks. This will be a chance for her to go through important information regarding your child's transition to Secondary School, alongside this she will be speaking with the Year 6 teacher about your child and obtaining important information about how best to support your child.

We will also be holding a Summer School from 23-27 August 2021. Please access the link below to apply for a place. This is a fantastic opportunity for your child to meet new friends and children within their form groups and to take part in a range of exciting activities. We would encourage your child to attend.

Transition page on our Website

We are currently updating all of our information on the transition page on the website for you. Please find the link below to our 2021 Transition. <http://www.btrcc.lancs.sch.uk/index.php/transition>

I am also delighted to share with you a 360 virtual tour of the school. Please use this to begin to familiarise yourself with the building. Additionally, there is a video tour of the school and videos from key staff. Each department area has also prepared a video which gives key information about all the different curriculum areas. Your child has been set a 'Mini Challenge' task and we encourage them to complete as many as they can.

In the coming months we will also send out a 'Welcome pack' which your child would have received on their induction day.

Data Booklets

Many thanks for your efforts thus far in returning the data booklet. It is imperative that we have up to date details and contacts for your child. If you have not done so already, can I ask that these are returned to school as soon as possible.

Enquiries

If you have any concerns or queries regarding your child's transition, please email Miss Murray at- lmurray@btrcc.lancs.sch.uk

Moreover, if your child has any SEND/medical need that you wish to discuss, please contact Miss McCue or Miss Walsh at-

jmccue@btrcc.lancs.sch.uk / twalsh@btrcc.lancs.sch.uk

If you do not already follow Blessed Trinity on Twitter, can we urge you to do so. The school twitter account is one of the main ways that we communicate key information and messages. It is also an excellent way that both you and your child will really get a feel for our school as a community. It may be worth spending some time looking through our previous tweets with your child. This will really give you a sense of our school and our ethos.

I am sure that your child will have a wonderful transition experience, and I am looking forward to sharing their successful journey through secondary education.

Yours faithfully
